Public Vote for Library Funding

Hepburn Library of Hermon
is requesting an additional
\$30,000 in annual funding.

\$40,000 will cost the taxpayer just
\$.05 to \$.09 per \$1,000
of assessed property value.

A taxpayer with an assessed property
value of \$100,000 would pay
only an additional **\$5.71** and **\$8.64** per
year.

A whole year's worth of improved
library service costs less than
Laundry detergent or a **NYS vehicle**
inspection!!
